

Immunosenescence - Hot Topics & Interventions

A Satellite Symposium of the 4th European Congress of Immunology

Conference Details

Date: September 5 & 6, 2015
Venue: Austria Center Vienna
Bruno-Kreisky-Platz 1
1220 Vienna, AUSTRIA

Registration

Registration and Abstract Submission

<http://www.eci-vienna2015.org/index.php/scientific-satellite-meetings>

Registration Fee: € 200

Registration includes

Access to Keynote Lectures, Scientific Sessions and Poster Sessions
Lunch (2x), cheese and wine (poster sessions) and dinner (1x)

Deadlines

For abstract submission: **June 30, 2015**

For registration: **July 31, 2015**

Late Abstract submission: July 31, 2015 (POSTER ONLY)

On-site registration (after July 31, 2015): € 250

Program at a Glance

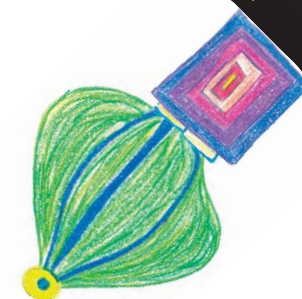

Saturday September 5, 2015

- 08:30 Welcome Address
08:40 Keynote Lecture: Mucosal immunity
09:20 Session 1: Senescence of the mucosal immune system in lung and gut
10:30 *Coffee Break*
11:00 Session 2: Immunosenescence and disease

12:20 *Lunch*

13:30 Keynote Lecture: Caloric restriction
14:10 Session 3: Immunosenescence and metabolism
15:50 *Coffee Break*
16:20 Session 4: Cellular senescence and longevity
17:40 Poster Session I
18:20 Poster Session II

19:30 *Dinner*

Sunday September 6, 2015

- 08:30 Keynote Lecture: Novel vaccines for the elderly
09:10 Session 5: Vaccines for the elderly: Influenza
10:20 *Coffee Break*
10:50 Session 6: Vaccines for the elderly: Beyond Influenza

12:20 *Lunch*

13:30 Immunosenescence: The funding agencies' perspective
14:00 Keynote Lecture: Immunotherapy in old cancer patients
14:40 Session 7: Intervention: How to reverse immunosenescence
16:00 Closing Remarks

Scientific organizers

Birgit Weinberger (Austria); Arne Akbar (UK); Bonnie B. Blomberg (USA); Daniela Frasca (USA); Beatrix Grubeck-Loebenstein (Austria); Elizabeth J. Kovacs (USA); Graham Pawelec (Germany)
